Section 6 - Assessment of Declarant and Security Holders

Any provision of this Declaration or of the Articles of Incorporation, or By-Laws of the Association to the contrary notwithstanding, commencing with the commencement of Assessments, the Declarant shall not be required to pay any Assessment, whether Regular or Capital, for any Lot in which it has the interest otherwise required for membership with the exception that if Declarant owns houses that are occupied, it shall be liable for the assessment on such land or improvement devoted to dwelling use. No Assessment, whether Regular or Capital, shall be levied against persons or entities holding an interest in a lot or Lots merely as security for the performance of obligations or payment of debt.

Section 7 - Date of Commencement of Regular and Capital Assessments: Due Dates

The Regular Assessments provided for herein shall commence on the date designated by the Board of Directors or the Association as the "Assessed Commencement Date."

The first Regular Assessment shall be adjusted according to the number of months remaining in the Assessment year, which shall be the calendar year unless otherwise determined by the Board of Directors. The Board of Directors shall fix the amount of the Regular Assessment against each Lot at least thirty (30) days in advance of each annual Assessment period. The due date of any Capital Assessment authorized under Section 4 of this Article shall be fixed in the resolution authorizing such Assessment. Written notice of the Regular and any Capital Assessments shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand at any time, furnish to Owner, to any mortgagee or to any contract purchaser, a certificate in writing signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid. A reasonable charge may be made by the Board for issuance of these certificates except as to a First Mortgagee. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

Section 8 - Effect of Non-Payment of Assessment

The Personal Obligation of the Owner, the Lien, Remedies of the Association

If an Assessment is not paid on the date when due (being the dates determined pursuant to Section 7 of this Article), then such Assessment shall become delinquent and shall, together with such interest thereon and costs of collection thereof as hereinafter provided, thereupon become a continuing lien on the Lot assessed which shall bind such Lot in the hands of the then Owner, his heirs, devisees, personal representatives, successors and assigns. In addition to the lien rights, the personal obligation of the then Owner to pay such Assessments shall remain his personal obligation and shall not pass to his successors in title unless expressly assumed by them.

If the Assessment is not paid within thirty (30) days after the due date therefore (the "delinquency date"), then the Assessment shall bear interest from the delinquency date at the rate of

the lesser of twelve percent (12%) per annum or the highest rate of interest allowed by applicable law, and the Association may bring an action at law against the Owner personally obligated to pay the same or at equity to foreclose the lien against the such Owner's Lots, and there shall be added to the amount of such Assessment the cost of preparing and filing the complaint or bill in equity in such action, and in the event of a judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the Court, together with the cost of action. In addition to the aforesaid, the Board of Directors may charge a reasonable late payment fee on all delinquent Assessment accounts. No Owner may waive or otherwise escape liability of the Assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9 - Subordination of the Lien to Mortgagee

The lien of the Assessments provided for herein shall be subordinate to the lien of any bona fide first mortgage on a Lot. Sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot which is subject to any first mortgage, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien for all such Assessments as to payments thereof which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof. The term mortgage or mortgages shall include deed of trust or deeds of trust.

Section 10 - Exempt Property

The following property subject to this Declaration shall be exempt from the Assessments created therein: (a) all properties dedicated to and accepted by a local public authority; and (b) the Common Area. No land or improvements devoted to dwelling use shall be exempt from said Assessments.

ARTICLE VII

aforesaid five (5) year period, the Board of Directors shall appoint a successor by a duly executed instrument. All questions shall be decided by a majority of the members of the ARC, and such majority shall be necessary and sufficient to act in each instance and on all matters. In the event of a foreclosure of all or any part of the Properties by the Trustee or the Lender, the initial ARC members specified in this Section shall promptly prepare and submit to such foreclosing party their irrevocable written resignations from the ARC, which resignations shall be effective immediately upon receipt. The Declarant hereby grants to the ARC the right to waive, on a case by case basis, such portion or portions of covenants and by Restrictions contained in this Declaration placed upon The Willows Subdivision as the ARC, in its sole discretion, may deem advisable in the best interest of The Willows Subdivision.

The ARC shall consider applications for approval of plans, specifications, etc., on the basis of conformity with this Declaration and shall be guided by the extent to which such proposal will insure conformity and harmony in exterior design and appearance with existing and proposed structures within The Willows Subdivision. The ARC shall have the right to adopt and publish guidelines or policies with respect to all architectural requirements (and repeal or amend the same from time to time) which in the ARC's opinion are appropriate for The Willows Subdivision.

The ARC shall have the right to refuse to approve any such ^{plans} or specifications, including grading and location plans, which are not suitable or desirable in ~~the~~ sole opinion, for aesthetic or other considerations. Written requests for approval, accompanied by the foregoing described plans and specifications or other specifications and information as may be required by the ARC from time to time shall be submitted to the ARC by registered or certified mail or in person in which case a written receipt shall be obtained. The ARC has the authority to hire a professional architect to review the plans and specifications. The ARC will assess the Owner a fee of \$100.00 for such review of the plans and specifications as compensation for the architectural review service.

In the event the ARC fails to approve or disapprove the plans and specifications within sixty (60) days after such plans and specifications and other information have been submitted to the ARC as required herein, approval will not be required and this Article will be deemed to have been fully complied with.

Approval hereunder shall in ~~now~~ way be construed as passing judgment or making a determination with respect to the correctness of the location, structural design, suitability of water flow or drainage, location of utilities or other qualities of the item being reviewed.

Notwithstanding anything contained herein to the contrary, the construction undertaken by or at the direction of Declarant or any successor or additional declarant shall not be subject to the terms of this Article and shall not require the approval of the ARC.
